**RS 30606:** **Mr. Keith Bybee**, Division Manager, LSO Budget & Policy Analysis, presented **RS 30606. H 1** of the 2022 Extraordinary Session established a new transfer from sales tax distributions to the Public School Income Fund and the In-Demand Careers Fund. Both funds are categorized as dedicated funds. This bill provides for these two distributions to be tracked and reported as the General Fund. Funding for Public Schools is primarily provided from the General Fund and each Public School Appropriation Bill accounts for the original fund source for tracking and reporting purposes. This bill maintains that precedent.

**GUESTS:** The sign-in sheet will be retained in the committee secretary's office; following the end of session the sign-in sheet will be filed with the minutes in the Legislative Library.

**Chairman Horman** called the meeting to order at 8:56 a.m.

**Chairman Horman** stated Senators would be able to ask questions during this meeting.

**H 296:** **Mr. Keith Bybee**, Division Manager, LSO Budget & Policy Analysis, presented **H 296**, legislation which amends existing law to provide monies in the Public School Income Fund and the In-Demand Careers Fund shall be treated as monies from the General Fund.

The committee discussed the bill. **Sen. Grow** stated the Co-Chairs of the Joint Finance-Appropriations Committee (JFAC) are focused on the ending dollar balance of agency budgets, not the percentage change from previous years. The JFAC Co-Chairs are encouraging the Public Schools Support Program to move supplemental appropriation requests to line items in the following year's budget. This realignment will reflect the true amount of funds in the budget; however, this means the percentage of change will not align with prior years. **Sen. Grow** stated they are starting with this budget and intend to do the same with other budgets in the future.

**Rep. Handy** encouraged the committee to make these changes as soon as possible so the new data set can begin immediately.

The committee further discussed the bill.
